

Amanda Geel

Senior Advisor

Amanda has worked in business support for the past 15 years and is well connected in the South East. Her knowledge and experience of the local business environment is far reaching. She has held Senior Management and Business Advisory roles at Business Link, University of Chichester and the Innovation & Growth team, as well as Director positions at Surrey and Adur Enterprise Gateways.

More recently Amanda worked for the Green Growth Platform and as Business Development Advisor for the Coast to Capital Growth Grants, having achieved a 96% success rate helping businesses prepare grant funded applications.

Amanda joined the Business Navigator service in September 2016 as Business Adviser for West Sussex and rural areas, assisting growing companies' access finance and achieve their growth aspirations.
