EXHIBITOR STANDS:

Our pricing policy for exhibitor stands makes us one of the most cost-effective business events companies in the region. We offer every business great perks and privileges to be a valued company at our events, with even a free business listing on the new business directory which can be accessed at www.netxp.directory – going live in March 2019.

To book a stand simply go to the [Exhibit](#) page for Network Xpress and book the desired space. A floor plan is available on the website for every show that we host.

Additional benefits for each exhibitor or sponsor include:

- Free entry to the 'Early Bird' Speakers Conference
- Free shout-outs on social media
- Free tea/coffee voucher
- Free linen use at the exhibitions
- Free table & chairs to use at exhibitions
- Free access to the new charging stations at events
- Free (permanent) business directory listing
- Local Courier pick up service for your exhibitor gear to the event and after the event

SPONSORSHIP:

As a brand we have eight sponsors for every event. Each of the sponsors are handpicked by the events director for Net XP to assist with different elements of the shows.

The four Premier Sponsors include a Game, Print, Media and Event Sponsor – these top-level sponsors for the B2B expo help to transform each event, benefitting from different perks themselves.

Along with premier sponsorship, we also offer a partner sponsor programme to cover other areas of the events portfolio, including, but not limited to, T-Shirt, Badge, Cake and Keynote Sponsor.

All sponsorship packages are listed on the Net XP [website](#), starting from only £395+VAT

To become a sponsor, please contact the events director of Net XP on our dedicated phone number (01273 833 222). All sponsors agree to sign up for 12 months inclusive.

Alternatively, email hello@netxp.co.uk and place in the header section – SPONSORSHIP.
